

# Demise

Wouter Hamel

I know where my place is  
I've seen it all before.  
It was glooming in the shadows  
behind the golden door.

I know where my place is  
but I didn't realize,  
That I come so close to see it,  
my demise, my demise

I keep on pressing on and on  
I keep on trying till I'm gone, oh  
I keep on pressing on and on  
Cause I've come so close to see it  
my demise, oh my demise

I know where my place is  
but I didn't realize,  
That I come so close to see it,  
to see my demise, my demise

I keep on pressing on and on  
I keep on trying till I'm gone, oh  
I keep on pressing on and on  
Cause I've come so close to see it  
yes I've come so close to be it  
my demise, oh my demise

I keep pressing on  
keep on trying till, till I'm gone, oh
