

See You Once Again

Wouter Hamel

Oh what I wouldn't give to see you once again
Oh what I wouldn't give to see you once again

Folks will see me walking
They will know I've cried
it's crazy but I don't mind
At least I won't have lied

They will say I'm crazy
But say I didn't try
But all I really want right know
is to keep you in my life

Oh what I wouldn't give to see you once again
Oh what I wouldn't give to see you once again
Oh what I wouldn't give to see you once again
Oh what I wouldn't give to see you once again

Here it comes to take me
Try to walk away
But here it comes so bring me down
I'm struggling every day
You might think I'm crazy
Don't say I didn't try
But all I really want right know
is to make you mine oh mine

Oh what I wouldn't give to see you once again
Oh what I wouldn't give to see you once again
Oh what I wouldn't give to see you once again
Oh what I wouldn't give to see you once again

Oh what I wouldn't give to see you once again
Oh what I wouldn't give to see you once again
Oh what I wouldn't give to see you once again
Oh what I wouldn't give to see you once again
