

## Legacy

## Wu-Tang Clan

The Legacy, get your minds ready, get your rhymes ready

And held a breath of life, resurrect the death of Christ  
What you got to sacrifice, I'm on some other shit  
Takeover the mothership, brothers get to claim the covenant  
Universal lovin it, olive oil you rubbin it  
Check the thermometer, ever kilometer  
Rise by heat pressure, your thermostat couldn't measure  
Royal Familia, atoms bombs from Asquilia  
Dark Ages, so read the page, Mike and Alenki  
Born on the cross between love and lust  
Genesis thru exeuse, larzurus, slash black barnibus  
The holy temple be the mental, You and see Islamic  
Can you understand the clear picture

Braveheart, verbal courage, battle the seminar  
Royal Fam Legacy, watch us travel far  
Positive energy, always corrects errors, Royal Fam rule shit  
Now and forever, what

Orotorical, niggaz is metaphorical  
My editorial breaks down your monuments historical  
Geologist studyin land, usin the earth's crust  
Measurements, eight elements, atomic weight plus density  
Hi-Techs, science, thrustal gravity  
Revolve around my oro, I'm the soul that keeps spinnin, what  
Supernova, black quasar, my mental radar picks up  
Frequencies beyond the earth's equator  
Forver glow, electro, magnetic force field  
Thoughts build, we bomb for real, Royal Fam still exists  
Golden fist, your caught up in the devil's mist  
Fire war, royal sire laws, reveal this  
Protons, electrons, atoms cause explosions  
My center of atraction, I'm the nucleus, you're frozen  
My square be complete, architectual, visual  
The sound spectrum strikes the mental then the physical  
My perimeter damns your diameter  
Bar codes are scanned from America to Canada  
What, from America to Canada

Get your mind ready

Braveheart, verbal courage, battle the seminar  
Royal Fam Legacy, watch us travel far  
Positive energy, always corrects errors, Royal Fam rule shit  
Now and forever, what

Get your minds ready, Get your minds ready, Royal Fam Legacy  
What, get your minds ready, get your rhymes ready
