Christians say that you can study all day pray all day, and chant all day But you get to heaven faster if you hang with the wise men Yeah I would say once you got inspired spark Y'know, you strive, to, y'know You gotta put, y'know you gotta keep puttin wood on it as they say Right? Keep it burnin or whatever You gotta find a way to keep it burnin But then there's the optimum side of it That's the burnin fire that's burnin but it don't burn Knahmean? Just in life, like the sun You know the sun is seen, like that But it's like a eternal sun that that it is on regardless, you just on You just free from, y'know Shit don't work on you no more The story of the villain
