

Believe In Me

:Wumpscut:

This is the entire history...
(Coulda been more of a mother)
...of a broken life
(Coulda been more of a mother)
They told you were a lying child
Didn't they?
(Coulda been more of a mother)
Did they lie?
(I'll don't see enough... let's say... right...)
Yes, they did
Did they try?
Yes, they did

You slugged me once
Didn't slug you back
You slugged me once
Didn't slug you back

You slugged me once
And I didn't slug you back (yet)
Did they lie?
Yes, they did
Did they try?
Yes, they did
So my friend
Leave all behind
Come with me
And you will find

So my friend
Leave all behind
Come with me
And you will find
'cause I will show you
How to die
And I am the devil
