

Blood Stigmata

:Wumpscut:

What is blood?
What is your life?
You stand right there
And be judged now
For your crimes
For being sublime

Doomed to death
Your last breath
Retinue
This is you

Doomed to death
Your last breath
Retinue
This is you

Blood stigmata
Blood stigmata
Blood stigmata
Blood stigmata

Doomed to death
Your last breath
Retinue
This is you

Blood stigmata
Blood stigmata
Blood

What is blood?
What is your life?
You stand right there
And get judged now

What is blood?
What is blood?
You stand right there
You stand right there

Blood stigmata
Blood stigmata

Doomed to death
Your last breath
Retinue
This is you

Doomed to death
Your last breath
Retinue
This is you

Blood stigmata
Blood stigmata
Blood stigmata
