

Dudek

:Wumpscut:

Here standing at the gates of hell
I'm asking what to do
Should I deal with?
Should I don't?
No matter when decide to move

The heart of the dead man is throbbing in the net
On my stroke
On my stroke of live
On my stroke of live
On my stroke
On my stroke of live

"The devil"

Dudek!

What's in vision?

"The devil"

Durn in hell
If you want to do
Burn in hell
If you can stand the flames
Burn in hell
If you can scare the fire

"The devil"

Go!

"The devil"

Dudek

You're choking harder
Coming faster
Yeah, Dudek
Yeah, Dudek
Yeah, Dudek
