

Remember One Thing

:Wumpscut:

At the end of time
Remember one thing
When the bells have chimed
Remember one thing

At the end of time
Remember one thing
When the bells have chimed
Remember one thing

And your life will end
And the priest will dance
At your funeral
And the devil calls

At the end of time
Remember one thing
When the bells have chimed
Remember one thing

Remember one thing
You are dead
