

Womb

:Wumpscut:

Here I Am
I Am Your Child
Lying Safe And Warm
In Your Womb
Billions Of Women
Were Ambushed By Me
As I Am The Unwanted Life
And I Lurk In Your Body
And I Lurk In Your Womb

Here I Am
I Am Lying In Your Womb
I Am Your Child
An Unwanted Child
I Do Not Care About Anything Else But Me
And You Think About Killing Me
Forget About That
I Will Be With You
For The Rest Of Your Miserable Days
Ha Ha Ha

Oh And Now You're Crying
I Never Wanted You To Cry About Me
But I Do Exist
And You Have To Take Care About That
For The Rest Of Your Miserable Days
