

## Womb

:Wumpscut:

Here I Am  
I Am Your Child  
Lying Safe And Warm  
In Your Womb  
Billions Of Women  
Were Ambushed By Me  
As I Am The Unwanted Life  
And I Lurk In Your Body  
And I Lurk In Your Womb

Here I Am  
I Am Lying In Your Womb  
I Am Your Child  
An Unwanted Child  
I Do Not Care About Anything Else But Me  
And You Think About Killing Me  
Forget About That  
I Will Be With You  
For The Rest Of Your Miserable Days  
Ha Ha Ha

Oh And Now You're Crying  
I Never Wanted You To Cry About Me  
But I Do Exist  
And You Have To Take Care About That  
For The Rest Of Your Miserable Days
