

Smackdown Theme Tune

WWE

I will sit right here and bide my time as long as it takes to
get what's rightfully mine.
(what's rightfully mine)

And I won't be denied it
cause all I've got left is my pride and I will rise up.

Break it out break you down breakin' rules breakin' ground had
your chance now it's gone all you take all you took. (I moved on)

Well I will sit right here and I will wait
will wait
Patiently for
your last big mistake.

And I won't be denied it cause all I've got left is my pride
and I will rise up.

Break it out
Break you down
Breakin' rules
Breakin' ground
had your chance
now it's gone
all you take
all you took
I control
my own place
yell for you
it's too late
it's my dream
it's my way
it's my mind
it's your pain.

And I won't be denied it cause all I've got left is my pride and
I will rise up.

break it out break you down breakin' rules breakin' ground had
your chance now it's gone all you take all you took

and I won't be denied it

break it out break you down breakin' rules breakin' ground had
your chance now it's gone all you take all you took

break it out break you down breakin' rules breakin' ground had

your chance now it's gone all you took
