

# This Fire Burns- Killswitch Engage

WWE

YEAH!

Yeah

All I've ever wanted was destiny to be fulfilled  
It is in my hands, I must not fail, I must not fail

Even through the darkest days  
This fire burns always  
This fire burns always

This is the proving ground  
Misery begins to rise  
Turn away from yesterday  
Tomorrow's in my eyes (Oh!)

Nevermore to be held down  
By the waves against me  
Nevermore to be cast aside  
This day is mine

Even through the darkest days  
This fire burns always  
This fire burns always

I will not be denied in this final hour  
I will not be denied, this day is mine  
This passion inside me is burning (Is burning)  
This passion inside me is burning (Is burning)

Even through the darkest days  
This fire burns always (always)  
This fire burns (fire burns) always  
Always (always)
