

Whatever (Chris Benoit's Theme)

WWE

There's no holding me back
I'm not driven by fear
I'm just driven by anger
And you're under attack
Just climbing up slowly
I'm the one and only

The tease, the way you lie
The stumble in your mind
The fear, the hope inside
They hit here

But whatever you need
Ever you got
Ever you want
I'll take back again

Whatever you need
Ever you got
Ever you want
I'll take back again

There's no holding me back
I'm not driven by fear
I'm just driven by anger
And you're under attack
Just climbing up slowly
I'm the one and only

The tease, the way you lie
The stumble in your mind
The fear, the hope inside
They hit here

But whatever you need
Ever you got
Ever you want
I'll take back again

Whatever you need
Ever you got
Ever you want
I'll take back again
Though whatever you need
Ever you got

But whatever you need
Ever you got
Ever you want
I'll take back again

Whatever you need
Ever you got
Ever you want
I'll take back again

Whatever you need

Ever you got
Ever you want
I'll take back again
But whatever you need
Ever you got

Whatever you, ohh, ohh
Whatever you, ohh, ohh
Whatever you, ohh, ohh
Whatever you, ohh, ohh
