Everytime I make a run, girl you turn around and cry  
I ask myself, why o' why  
See you must understand, I can't work a 9 to 5  
So I'll be gone, till november  
Said I'll be gone till november I'll gone till november  
Yo tell my girl yo I'll be gone till november  
I'll be gone till november I'll be gone till november  
Yo tell my girl yo I'll be gone till november  
January, February, March April May  
I see you cryin', but girl I can't stay  
I'll be gone till november I'll be gone till november  
And give a kiss to my mother

1.

Girl I gotta leave, please don't cry  
When I come back you know the limit's the sky  
I'll take you out to dinner to your favorite spot  
Feed you an aphrodisiac just to get you high  
Drive by movies, by the cemetary  
If my corpse could talk then I would tell you I was sorry  
Lifestyles of the rich and famous  
Some die with the name some die nameless

Yeah mon, I had to do somethin' so I'm knockin' on Heaven's door  
Like a Bob Dylan  
Never contemplatin', the charges that I'm facin'  
My newborn son I hope I see his graduation  
Take him to a movie, by the cemetary  
If my corpse could talk then I would tell him I was sorry  
Lifestyles of the rich and famous  
Some die with the name some die nameless
