

# I Swear

Wyclef Jean

I swear  
Girl I swear

And I swear  
Ain't nobody breakin' us up  
I'm a stay with you forever, girl  
And I swear  
Know that you were here from the start  
You ain't goin' nowhere  
I don't care  
What they wanna say about us  
We gon' always be together, girl  
And I swear  
I swear

Girl, you got the key to the lock  
You the reason that the playboy stop  
You're the reason that I'm not on the corner  
Selling di marijuana  
You give me a reason to live  
You the reason that I never did a bid  
And even if they wanna judge  
You the reason that I love

And I swear (I swear)  
Ain't nobody breakin' us up  
I'm a stay with you forever, girl  
And I swear  
Know that you were here from the start  
You ain't goin' nowhere  
I don't care (don't care)  
What they wanna say about us  
We gon' always be together, girl  
And I swear  
And I swear...  
I swear

Hey, honeymoon, sprinklin' flowers over you  
Stand on the couch, baby, I'm wildin' over you  
Take everything, bae, I'm a coward over you  
Jewelry so wet, you need a towel over you  
Take you out your mama house, baby smile  
East coast, West coast, goin' shoppin'  
Change the way that you dress, Thousand Island  
Let you take over, I no longer need an accountant  
Lord, you really really be wild  
Private 'round the world, they can't over see us  
She got water like a boat, nickname it Aaliyah  
They can't see us, they can't be us, babygirl  
I swear

And I swear  
Ain't nobody breakin' us up  
I'm a stay with you forever, girl  
And I swear  
Know that you were here from the start  
You ain't goin' nowhere

I don't care  
What they wanna say about us  
We gon' always be together, girl  
And I swear  
I swear

Gettin' top, no way ride, ride  
Forth fifth homicide, ahh  
Skrrt, skrrt, skrrt  
Ride silver, ride it, ride it, try to feel the ride ay  
Getting breakfast while she lyin' in bed  
And I swear  
Aw baby I swear

I don't care  
What they say about us  
We gon' be together, ayy  
And I swear  
toujours étaient ensemble  
And I swear  
We gon' always be together, girl  
I don't care  
What they wanna say about us  
We gon' be together girl  
And I swear (Ayy)  
And I swear (I swear)  
(I swear, I swear)
