

President

Wyclef Jean

Yeah,
Election times coming.
Who you going to vote for
Zh'yeah

If I was president,
I'd get elected on Friday, Assasinated on Saturday,
Buried on Sunday,
Then go back to work on Monday.
If I was president...(If you were president)
If I was president...(If you were president)
If I was president...(If you were president)

Instead of spending billions on the war,I can use that money, so I can feed
the poor.Cause,I know some so poor,when it rains thats when they shower. Scr
eamng "Fight the Power".That's when the vulture devours.

If I was president,
I'd get elected on Friday, Assasinated on Saturday,
Buried on Sunday,
Then go back to work on Monday.
If I was president...(If you were president)
If I was president...(If you were president)
If I was president...(If you were president)

I know some soldiers that sleep,but they can't dream, wake up with screams,s
ounds of M-16s. So take this medal of honor for your bravery. I wish you the
best care, for you and your family.

If I was president,
I'd get elected on Friday, Assasinated on Saturday,
Buried on Sunday,
Then go back to work on Monday.
If I was president...(If you were president)
If I was president...(If you were president)
If I was president...(If you were president)

BUT THE RADIO WON'T PLAY THIS,
THEY CALL IT REBEL MUSIC.HOW CAN YOU REFUSE IT, CHILDREN OF MOSES? Tell the
children the truth,the truth,its not all the bling thats diamond.Tell them t
he truth, the truth, Most of y'al where cubic zirconia. Tell them the truth
the truth yeah, Your soul is worth more then diamonds.

If I was president all blacks would have reparation, no segagation I would l
ead the nation,We would all hold hands, very week on the beach party by the
sand.Word up. Take trips to ait force one don't need the shoe air force ones
. Better schools in the hood better teachers for the making money, be paying
them taxes. Finding fair sciencetist to come upwith an answer,I want a cure
for aids and cancer But I got to watch my back sniper's on the hill with it
still,Waiting to jf kill.

If I was president,
I'd get elected on Friday, Assasinated on Saturday,
Buried on Sunday,
Then go back to work on Monday.
If I was president...(If you were president)
If I was president...(If you were president)

If I was president...(If you were president)

I feel the rain coming let me play my guitar for them right now.

If you were president...
