

## Doubt

Wye Oak

If you should doubt  
My heart  
Remember this  
That I would lie to you  
If I believed it was  
Right to do

If you should think  
Instead  
I would forget  
All the lives I said  
Were not meant for me  
And meant for you

That would be the test  
I could not forgive  
Only that  
To doubt the only way  
That what was true before  
Is true today

What I have learned  
Of you  
Does not assure  
You bow before my will  
But I believed it then  
Believe it still  
Oh, I believed it then  
Believe it still
