

## We Were Wealth

Wye Oak

Though I am grown  
I'm living like a child at home  
I wait and want  
Giving myself everything  
Fearing the release  
Keeping the peace

Say for instance  
I pay money for an object  
Sight unseen  
How is it that he speaks for me?

Feel the days end  
and we close down  
Spend your moment  
We shall all see  
If we run or fly  
we run away  
On my own and  
We will go free  
We will go free  
We will go free
