

The Fall

Wynardtage

Amazing how life takes so many turns,
Amazing how full of shit and selfish you are,
You're scum and you're heartless,
...(incomprehensible)...

I only wish you pain and sorrow,
I only wish you no tomorrow,
I only want you to beg and plead,
when your final breath is taken from me.

I only wish you misery,
I only wish you pain and grief,
I know your life is so full of lies,
But you should look into these eyes,
And read the sorrow, and read the rage,
I only want to turn the page,
Of this final chapter, this final step,
To rid my life of this contempt.

You broke me up, you broke me down,
You smashed the heart, that loved you still,
You crushed, you destroyed, erase the rest,
When I only ever wished you the best,
You're sick and your heartless,
Just lust, I want no part of this,
you will die, without life at stake,
You will take...(incomprehensible)...

I only wish you pain and sorrow,
I only wish you no tomorrow,
I only want you to beg and plead,
when your final breath is taken from me.

I only wish you misery,
I only wish you pain and grief,
I know your life is so full of lies,
But you should look into these eyes,

I only wish you misery,
I only wish you pain and grief,
I know your life is so full of lies,
But you should look into these eyes,
And read the sorrow, and read the rage,
I only want to turn the page,
Of this final chapter, this final ste
