

# A Life Time Friend

Wynonna Judd

A LIFE TIME FRIEND

Not everyone can fill It's a true friend  
From sentimental memories  
Many may not understand  
These true friends  
That will always be there In your time of grief

Friends don't always agree  
But they are there In your time of need  
They always seem to know your heart  
And help make you feel complete  
A LIFE TIME FRIEND  
Oh, LIFE TIME FRIEND

A LIFE TIME FRIEND  
Reads you like no other  
Cause of special moments  
Learned about each other  
The distance never stops  
From closeness shared  
Unconditional love for each other  
That supports you in all you do

A LIFE TIME FRIEND  
Oh, understand  
Is there until your life ends

A LIFE TIME FRIEND  
Is there when your world  
Has left you between the cracks  
When you feel there's  
Oh, no way back  
Your true friend is there  
To offer a gentle hand  
To help make you feel complete.
