

As Hummingbirds Fly

Wynonna Judd

I don't know about tomorrow
I don't know what seasons bring
There is much uncertainty
That's life I see It can be good or bad
Perhaps happy or sad
But if I can hear
Hummingbirds I too can sing
AS HUMMINGBIRDS FLY
Oh, AS HUMMINGBIRDS FLY

Tomorrow will be happier
Everyone filled with joy
The world chimes will ring
It's my desire to dream
Looking out and seeing blue skies
AS HUMMINGBIRDS FLY
There can't be a dry eye
For the joy and the happiness
AS HUMMINGBIRDS FLY

AS HUMMINGBIRDS FLY
Let me take lessons
From colorful creatures
That buzz around and around
Teach me to sing
Teach me, teach me
To take wings
Sing, sing, sing
Sing a song
Sing of love All day long
AS HUMMINGBIRDS FLY
Oh, AS HUMMINGBIRDS FLY

Through tough and good times
You and I tasted and tried
That's life from time to time
There's lessons in all things
Not knowing what tomorrow will bring
The excitement and mytery in everything
Hear the happiness as birds sing

Oh, AS HUMMINGBIRDS FLY
AS HUMMINGBIRDS FLY
