

# Change The World

Wynonna Judd

If I could reach the stars  
I'd pull one down for you  
Shine it on my heart, so you could see the truth  
That this love inside, is everything it seems  
But for now I find, it's only in my dreams

That I can change the world  
I would be the sunlight in your universe  
You would think my love was somethin' good  
Baby, if I could change the world

If I could be a queen, even for a day  
I'd take you as my king, I'd have it no other way  
And our love would rule, in this kingdom that we made  
'Til then I'll be a fool, wishin' for the day

That I can change the world  
I would be the sunlight in your universe  
You would think my love was somethin' good  
Baby, if I could change the world
