

Dance! Shout!

Wynonna Judd

You told me that you wanted somebody to talk to
You told me that you needed a friend
You told me that you wanted somebody to stay with you
Somebody to stick with you to the end

So let me introduce you to someone who knows you
He knew you before you got your name
He's closer than a brother more than your father
And all you've got to do is just call His name

Dance! Shout!
Come on everybody let's turn His praises out!
Dance! Shout!
Come on everybody it's all worked out!

It's all so very simple! It's all so very plain!
You won't need nobody to explain
When you believe in your heart that Jesus is Lord
You will know for yourself that you've been born again!

When we get to Glory we will tell the story
Of how we lived in this world below!
My soul will look back and wonder
How I made it over!
But when I see His face that's when I will know!
