

Dear Almighty Father

Wynonna Judd

DEAR ALMIGHTY FATHER

The great awesome
God Our consular, our friend
We call upon you to listen
And hear our prayer
We will listen with open hearts

DEAR ALMIGHTY FATHER

We confess our sins
To what was done
And what we should have done
And we ask you to cleanse us
So, we can be worthy
To sit at your table, yea

DEAR ALMIGHTY FATHER

Who proclaims promises
That are good for us
And creates change within us
Oh, our dear Father
We humbly ask for your help
Accordingly to your will

In my silence I heard Him say;
Prayer doesn't always change things for you
But I will give you what is good for you

DEAR ALMIGHTY FATHER

You are my Father
I give you my life
We are your people
You know what is good
We give you our thanks
And your will be done
