

I Come Before You

Wynonna Judd

I COME BEFORE YOU.

It is I your brother and friend.
It is I and I ask you to listen.

I COME BEFORE YOU
I bring gifts of happiness and joy.
A love that is never ending.
Dry your tears and smile.
And realize that your good.
Is now at hand.
The Lord is knocking at your door.
Will you open and let him in?

I COME BEFORE YOU.
How do you ever think
You are not worthy?
That is the main problem
That hold people away from God .
If you don't feel worthy of God's love.
Love is all you need, want or have.
All else is comfort and security.
And to magnify your life experiences.

I COME BEFORE YOU.
Yes, I'm entering your life.
And fill your life with joy and happiness
Because you realize
That a part of him lives within you.
And all those who accept Jesus.
Just like a part of God the Father.
Dwells within each of us also.

I COME YOU.
Of course you realize.
The part of every soul dwells within us.
In a magnificent way.
It's true, it's a God part
That lives within you
You have the best of all mankind
That dwells inside of you.
