I'm So Lonesome I Could Cry

Wynonna Judd

Hear the lonesome whiperwill He sounds too blue to fly The midnight train is whinning low I'm so lonesome I could cry

I've never seen a night so long When time goes crawling by The moon just went behind a cloud To hide its face and cry

Did you ever see a robin weep When leaves begin to die That means hes lost the will to live I'm so lonesome I could cry

The silence of a falling star Lights up a purple sky And as I wonder where you are I'm so lonesome I could cry
