I'm So Lonesome I Could Cry

Wynonna Judd

Hear the lonesome whiperwill
He sounds too blue to fly
The midnight train is whinning low
I'm so lonesome I could cry

I've never seen a night so long
When time goes crawling by
The moon just went behind a cloud
To hide its face and cry

Did you ever see a robin weep When leaves begin to die That means hes lost the will to live I'm so lonesome I could cry

The silence of a falling star Lights up a purple sky And as I wonder where you are I'm so lonesome I could cry
