

## Love's Funny That Way

Wynonna Judd

There's no king when love is the thing  
We play the same rules  
In a heartbeat a wiseman can be a fool  
There's no guarantee that love will be

A stranger or a friend  
A prayer that's answered  
Or a heartache that never ends  
Through the darkest hours  
When all is said and done  
It has the power  
You go from lonely to the lucky one

Love's funny that way  
Now matter who you are  
It can shake your faith  
Or it can break your heart  
Once in a while the mountains move  
We all long for those days  
You live, you laugh, you say  
Love's funny that way

Not long ago I got to know the lonely side  
Just me and my pain and nowhere to hide  
It amazes me  
How my world turned around  
If it's meant to be  
That's all that matters to me anyhow

Love's funny that way  
No matter who you are  
It can shake your faith  
Or it can break your heart  
Once in a while the mountains move  
We all long for those days  
You live, you laugh, you say  
Love's funny that way

Once in a while the mountains move  
We all long for those days  
So when you don't understand  
Best you leave it in love's hands  
Just live, laugh and say  
Love's funny that way
