

My Strongest Weakness

Wynonna Judd

The keeper of the gates of wisdom please let me in
'Cause I just can't go through another heartache again
Pretty lies and alibis how could I be so blind
Now all alone and scared to stand slowly going out of my mind

He was my strongest weakness, I surrendered heart and soul
It's gonna be a long, long time till I regain control
I'm still a prisoner held captive by his memory
He was my strongest weakness and I'm afraid he'll always be

I gave my faithful heart to someone who couldn't understand
How he held my little world in the palm of his hand
Now he's gone and life goes on so if this pain will ever end
Will I be afraid to risk it all to ever fall in love again

He was my strongest weakness, I surrendered heart and soul
It's gonna be a long, long time till I regain control
I'm still a prisoner held captive by his memory
He was my strongest weakness and I'm afraid he'll always be
He was my strongest weakness and I'm afraid he'll always be
