

# That Hurts Deep Inside

Wynonna Judd

The past is past  
And what's past is dead  
But when I look  
Into my children's eyes  
The past is still alive  
And all the stuff  
That hurts inside  
Oh, THAT HURTS DEEP INSIDE

When things go wrong  
And lies go on and on  
Especially, little ones don't see  
What side is right  
It affects their life  
The scares are deep  
THAT HURTS DEEP INSIDE  
THAT HURTS DEEP INSIDE

Want's gone is gone  
And you can't go back  
But when I see  
All the damage done I can't  
I can't  
Understand why, oh why?  
THAT HURTS DEEP INSIDE  
THAT HURTS DEEP INSIDE

So, the air is never clean  
From the polluted lies  
That always come between  
From what was and is  
THAT HURTS DEEP INSIDE

It's been said  
Life didn't have  
To be that way  
It's ok mistakes  
Are made everyday  
Until you look Into your childrens eyes  
THAT HURTS DEEP INIDE
