The Best

Wynonna Judd

I call you, when I need you my hearts on fire You come to me, come to me, wild and wild

You come to me, give me everything I need Give me a lifetime of promises and a world of dreams Speak the language of love like you know what it means And it can't be wrong, take my heart and make it strong, baby

You're simply the best, better than all the rest, better than a nyone, anyone I've ever met! I'm stuck on your heart, I hang on every word you say Tear us apart, no no baby I would rather be dead

In your heart I see the start of every night and every day In your eyes, I get lost, I gte washed away Just as long as I'm here in your arms I could be in no better p lace...

You're simply the best, better than all the rest, better than a nyone, anyone I've ever met! I'm stuck on your heart, I hang on every word you say Tear us apart, no no baby I would rather be dead

It's the time you leave me I start losing control, you're walki ng away with my Heart and my soul, I can feel you even when I?m alone, oh baby don't let go!

And your the best, better than all the rest, better than anyone , anyone i've Ever met! I'm stuck on your heart, I hang on every word you say Tear us apart, no no baby I would rather be dead, ooh you're th e best!
