## The Wyld Unknown

Wynonna Judd

Everybody read about it You can find it in the checkout line They say I got husbands a-leavin', boyfriends a-callin' And problems that ain't even mine Well, all that trash don't bother me none It's all just part of the game I'm just a good-hearted down-home country girl And you all know my name

I like to ride I need my space And I love being at home But if you wanna' get right into my heart Take a left at the wyld unknown The wyld unknown

You don't wanna' cross my little mama And you sure don't wanna mess with me 'Cause there's a wild streak running down from the roots To the top of my family tree I'm a woman of passion, a woman of faith As honest as I can be To tell you the truth, I'm bulletproof So take your best shot at me

I like to ride I need my space And I love being at home But if you wanna' get right into my heart Take a left at the wyld unknown The wyld unknown

The wyld unknown I'll show you somethin' that You ain't never been shown

Whenever trouble finds me I always take my share of the blame I'm the kind of girl who can rock your world Or love you like a hurricane I'm a woman of passion, a woman of faith As honest as I can be To tell you the truth, I'm bulletproof So take your best shot at me

I like to ride I need my space And I love being at home But if you wanna' get right into my heart Take a left at the wyld unknown The wyld unknown
