

True Friend

Wynonna Judd

TRUE FRIENDS have no boundaries
They are there
When things go wrong
They encourage you
To hold on TRUE FRIEND's like these
Care for your inner soul.

Oh, my TRUE FRIEND
Yesterday, today, tomorrow,
I will be grateful regardless
No matter the distance
Forever a friend
A TRUE FRIEND
Oh, TRUE FRIEND
TRUE FRIEND

TRUE FRIEND's don't often call
But you still know
From your soul
There is no distance
From yesterday
Or many tomorrows
TRUE FRIENDS are deeper than soul.

It's been said
Oh, many times
To have a TRUE FRIEND when we die
It's a blessing many are denied

TRUE FRIEND's don't play games
They are sincere
And care about
Your feelings as theirs
Oh, TRUE FRIENDS
TRUE FRIEND'S
A TRUE FRIEND like these
Are bonded in time
