

# We Come Before You

Wynonna Judd

WE COME BEFORE YOU  
To heal our broken hearts  
We've been disappointed  
By other deeply  
Lord We ask you to heal our hearts  
Take away the pain  
And suffering we've endured

WE COME BEFORE YOU  
Bless those people who are mixed up  
The ones that were not there for us  
We let that all go  
We blow it away like the wind  
And the sand of time  
Your love is all we need  
Shine your love to all and every need

WE COME BEFORE YOU  
To heal them as we know  
Their need is greater than our own  
We ask you to bless us  
With your  
Holy fire of joy  
Heal our hearts  
So, we can truly feel joy

Heal our hearts  
From one to another, a friend, lover  
Connecting with you God

WE COME BEFORE YOU to shine that love on us  
In a way we deserve to feel  
And help us the most  
The way it will heal us  
The most to grow  
Bless us with life long joy
