Got It Bad

Wynter Gordon

I hate being here without you
See you linger everywhere
And I doubt you know
How much I've come to care
About you maybe about you

I was not prepared at all for you
And I was not aware that taken the far
Could mean a standing still in there
'Cause baby without you

I am never what I am never who I am
When I'm not with you

I think about you every day
Hear your voices on replay
Boy you got, got me good
You should know I got it bad
I can still picture your face
Even though your far away
Not together but I remember
How it feels in your embrace
I'm not ashamed to say
You got me good
I got it bad (bad, bad, bad)

I can't understand the reason till I know
It makes no sense 'cause it's so easy
When I get to hold your hand
But baby when I can't

I am never who I am without you

Think about you every day
Hear your voices on replay
Boy you got, got me good
You should know I got it bad
I can still picture your face
Even though your far away
Not together but I remember
How it feels in your embrace
I'm not ashamed to say
You got me good
I got it bad (bad, bad, bad)

I never knew I could feel like this
You took my heart and make me miss
You so bad (bad, bad, bad)
I never felt anything so strong
When you're not here everything is wrong

My garmin good

I got it baaad
I think about you every day
Hear your voices on replay
Boy you got, you got me good

You should know I got it bad
I can still picture your face
Even though your far away
Not together but I remember
How it feels in your embrace
I'm not ashamed to say
You got me good
I got it bad (bad, bad, bad)

Uhhh ooh, baby
I'm not ashamed to say
You got me good I got it bad
Uuuh Yeeeah
I got it bad, baaad
