

# Lucky Ones

Wynter Gordon

I'm a be here when the storm and the rain comes  
I'm a stay here with you  
And I'm a write a poem and a song with your name in it  
I'm a write a song for you

About a fairytale life with a prince and a princess  
Darling, it's a dream come true  
Like we found a pot of gold at the end of the rainbow  
Made a nice life for two

We are the lucky ones, we are the ever young  
We are the lucky ones (we are the lucky ones)  
We are the lucky ones, we are free to love  
We are the lucky ones (we are the lucky ones)

Oh oh oh oh oh, Oh oh oh oh oh oh oh  
Oh oh oh oh oh  
We are the lucky ones  
Oh oh oh oh oh, Oh oh oh oh oh oh oh  
Oh oh oh oh oh  
We are the lucky ones

We're gonna live like a royal family  
You're a king without a crown  
And even without all the gold and the riches  
Baby, I can say it loud oh oh

We are the lucky ones, we are the ever young  
We are the lucky ones (we are the lucky ones)  
We are the lucky ones, we are free to love  
We are the lucky ones (we are the lucky ones)

Oh oh oh oh oh, Oh oh oh oh oh oh oh  
Oh oh oh oh oh  
We are the lucky ones  
Oh oh oh oh oh, Oh oh oh oh oh oh oh  
Oh oh oh oh oh  
We are the lucky ones

I'll take the trouble with the risk  
I'll even seal it with a kiss  
There's nothing that I wouldn't do for us  
I wanna help you play the banjo  
Bring the arms up in the gander  
To you pledge pledge allegiance

We are the lucky ones, we are the ever young  
We are the lucky ones (we are the lucky ones)  
We are the lucky ones, we are free to love  
We are the lucky ones (we are the lucky ones)

Oh oh oh oh oh, Oh oh oh oh oh oh oh  
Oh oh oh oh oh  
We are the lucky ones  
Oh oh oh oh oh, Oh oh oh oh oh oh oh  
Oh oh oh oh oh  
We are the lucky ones
