

# Sanctuary

Wynter Gordon

From the earth to the moon to the stars  
Babe you know that I will be were ever you are.  
Mountain high valley low on the go,  
Baby you ma every thing wanna give you any thing. Yea  
Just for you I would swim to the sea,  
Hold ma breath cause I know you would do it for me.  
I could search from the east to the west,  
Baby girl you are the best, far apart from all the rest

In these words that I speak tonight,  
I'll be with you till we see the light,  
In these words that I speak today,  
I will follow you come lead the way  
I promise I won't hurt you,  
I'm gone take away the pain.  
Take you from the storm, and  
Give you shelter in the rain.  
Ohh, yea, yea, yea  
Ohh, yea, yea, yea  
Promise to be strong in times when ever you are weak  
Guide you through the darkness  
Babe I'm there for you when you can't see  
Ohh, yea, yea, yea,  
In the sanctuary

Ohh, yea, yea, yea  
In the sanctuary  
Through the wind, through the fire, through the flood  
I would travel many miles just so I could see you smile, baby  
You're my prince, you're my knight, you're my king  
Your here to cater to  
Just want to pamper you  
I adore every thing that you are  
Love the way your body curves, love your hips I love your swerves  
It's your touch, it's the way that you feel when your lying next to me  
There's no place I'd rather be

In these words that I speak tonight,  
I'll be with you till we see the light,  
In these words that I speak today,  
I will follow you come lead the way  
I promise I won't hurt you,  
I'm gone take away the pain.  
Take you from the storm, and  
Give you shelter in the rain.  
Ohh, yea, yea, yea  
Ohh, yea, yea, yea  
Promise to be strong in times when ever you are weak  
Guide you through the darkness  
Babe I'm there for you when you can't see  
Ohh, yea, yea, yea,  
In the sanctuary  
Ohh, yea, yea, yea  
In the sanctuary

Baby you know I'm so in love  
I don't want to have to find another I promise I won't hurt you,

I'm gone take away the pain.  
Take you from the storm, and  
Give you shelter in the rain.  
Ohh, yea, yea, yea  
Ohh, yea, yea, yea  
Promise to be strong in times when ever you are weak  
Guide you through the darkness  
Babe I'm there for you when you can't see  
Ohh, yea, yea, yea,  
In the sanctuary  
Ohh, yea, yea, yea  
In the sanctuary
