These Are
The Struggles That We Face
They Ain't Gon' Go Away
Until We Make A Change, So Far
We Haven't Done A Thing
But Sit Back And Complain, And Let
People Tell Us Who We Are

If We Wanna Make It Right
Come Together, Unify
Wanna Make A Better Life
Let Me Hear My People Cry
If We Wanna Make It Right
Come Together, Unify
Wanna Make A Better Life
Let Me Hear My People Cry

I Keep A Watchful Eye, Over My Baby Brother
Responsibility, Every Woman Is A Mother
When There's No Father In The Picture
It's Like He'll Go Astray (He'll Go Astray Yea)
He'll Chase His Dream

Or The Court, Chances He'll Make The Team
A Thousand To One
And After That There's Nowhere To Turn
(Nowhere To Turn)

These Are
The Struggles That We Face
They Ain't Gon' Go Away

Wanna Make A Better Life
Let Me Hear My People Cry
If We Wanna Make It Right
Come Together, Unify
Wanna Make A Better Life
Let Me Hear My People Cry
