

High Off Life

WZRD

New York loft to the condo in Chicago
Out in LA I got the house in the hills
Hand out the window, feel the wind on my fingertips
Cruisin' cruisin' I'm on my way
Searchin' searchin' I need to find some more of it
New things and new places to go
Fiendin' fiendin' ohh I want another hit
It takes me up and I never come down

I never ever thought it could be
Never thought the day would come for me
When I would be high off life
Ohhh there's so much I haven't seen

I never ever thought it could be
Never thought the day would come for me
When I would be high off life
Ohhh there's so much I haven't seen

Hey mamma I'm livin' la vida
No need to worry 'bout your baby no more
I am feelin' the rush taking hits up off experience
Floatin' floatin' I am on my way
Searchin' searchin' I need to find some more of it
New things and new places to go
Fiendin' fiendin' ohh I want another hit
It takes me up and I never come down

I never ever thought it could be
Never thought the day would come for me
When I would be high off life
Ohhh there's so much I haven't seen

I never ever thought it could be
Never thought the day would come for me
When I would be high off life
Ohhh there's so much I haven't seen

Help me, help me, help me, help me, help me, help me
I'm ODin', I'm ODin', I'm ODin' off the life (say it)

Help me, help me, help me, help me, help me, help me
I'm ODin', I'm ODin', I'm ODin' off the life (say it)

Help me, help me, help me, help me, help me, help me
I'm ODin', I'm ODin', I'm ODin' off the life (say it)

Help me, help me, help me, help me, help me, help me
I'm ODin', I'm ODin', I'm ODin' off the life (say it)

I never ever thought it could be
Never thought the day would come for me
When I would be high off life
Ohhh there's so much I haven't seen

I never ever thought it could be
Never thought the day would come for me

When I would be high off life
Ohhh there's so much I haven't seen

I never ever thought it could be
Never thought the day would come for me
When I would be high off life
Ohhh there's so much I haven't seen

I never ever thought it could be
Never thought the day would come for me
When I would be high off life
Ohhh there's so much I haven't seen
