Gettin in from the airport,  
You're gettin in from your study group,  
The only thing missing at this point is bonafide chillin time w

I can't stand the times when I'm alone at night and I feel your  
side of the bed and its cold, hey hmm  
I'm wide awake I dont know the time cause I'm too busy texting  
you on my phone, said

I want you girl and I need your body right here  
Won't you teleport to me  
I want you girl and I need your body right here  
Won't you teleport to me  
I want you girl, right here right here, won't you teleport to m

You, called, out to me through the light,  
I know you must be close  
The moment when I realize it's all in my mind, the moment I hat  
e the most  
Somebody help me  
Does anyone care?  
Can anyone hear me?  
Is there anyone there?

A moment of loneliness and I can't close my eyes  
Without you by my side

I want you girl and I need your body right here  
Won't you teleport to me  
I want you girl and I need your body right here  
Won't you teleport to me  
I want you girl, right here right here, won't you teleport to m
