

## The Upper Room

WZRD

This is important y'all so please turn it up real loud  
I've got a question that I need you to answer now  
If you walked in my shoes, would you survive?  
If you said yeah, then I'm gonna call you a liar  
You see, I don't believe your words  
Most people are pussies  
Scared to be what God had made them to be

There's someone high up in the sky, lookin' out for all of us  
Yeahh Hmmm  
In The Upper Room  
I don't believe in miracles, no  
I do believe in fate  
I do believe in destiny

This is important y'all so please turn it up if you can  
I have matured so much, the boy has became a man  
Finally I can say, I'm feelin' proper  
No need to worry, I'm a happy new me  
Cause I know..

There's someone high up in the sky, lookin' out for all of us  
Yeahh Hmmm  
In The Upper Room  
I don't believe in miracles, no  
I do believe in fate  
I do believe in destiny

Most people are pussies
