

Intro

X-Ecutioners

Lets start it like this

Yo... it's official

The saga begins

Begin war

The x

Be the first to set it off

Crash you mutherfuckers

X-ecutioners

POW

Yo...get you whole place done

Wha

Get your beat on

You know i bring it to you live...

You heard of us?

You know i bring it to you live

Nobodies tighter

We're leaving

Its an a feeling

Word

You know you love it

Chopping niggaz up

That's how we do it

Its an a feeling

Word

You now you love it

Chopping niggaz up with the diabolical sound commin through you
r speaker
