

Longing

X Japan

Kizutsuke atta kotoba mo
Kasaneta namida mo
Itsuka wa omoide ni naru yo
Dakara togireta melody
Mune ni dakishimete ashita mo ikiru darou
Anata ni aenakute mo

Sing without you
I'll sing without you
Can't you feel my heart
Falling through the rain

I sing without you
I'll sing without you
Can't you hold my tears
Cause still I love you

I can't face that thought of being alone
I sing for the song still carries on
Mune ni dakishimete omoi wo utawasete
Koe ni naranakute mo

Sing without you
I'll sing without you
Can't you feel my pain
There's nothing I can do

I still have a longing for your memory
Kizutsuku dake demo
Kokoro wo tsutaetai yo

Ima wa hitori ni shinai de
Furi sosogu ame ni niware sou na yume
Ashita mo kanaderu kara

Sing without you
I'll sing without you
Can't you feel my heart
Falling through the rain

Sing without you
I'll sing without you
Can't you feel my heart
Falling through the rain
