

Standing Sex

X Japan

Lucy in the sky
I'm whisky frisky
Lady Jane, Marry Jane
Drive me rocked out
.

No pain, No delight
Get me dry high
Number 24
I need X
.

Stand up! Fuck up!
Show no mercy Like a lunacy
.

Kick off! Fuck off!
I'm getting in the count down
.

Marry Marry Kiss me Marry
Why do you have to be ripe?
.

Give me Give me Give me rainy dreams
'Til they kill me away (Lights up)
.

Slash Slash Let me slash
Boredom Tasteless life
.

Get me Get me Get me out of the world
'cause I'm crying for rainy roses
Lucy in the sky
Get you up right
Crime of visual shock
You are X
.

Stand up! Fuck up!
Show no mercy Like my jealousy
Kick off! Fuck off!
I'm getting in the count down
.

Marry Marry Kiss me hurry
Why do you have to be ripe?
.

Give me Give me Give me rainy dreams
'Til they kill me away (lights up)
Marry Marry Kill me Marry
Can't you set me free
.

Lady Lady Are you ready to go?
Why do you have to be laying down?
