

## Bubble Gun

X-left to die

They watch her moves, she's the only one  
What it mean to pray  
Now it's time to take out your bubble gun  
or you'll be her prey

Nothing  
Not her  
Blinds me  
Not hurt  
She goes  
I ache  
Easy to loose it

I missed the girl, I tried to be the one  
I missed the girl, I tried to be the one

Breaking down future with your only one  
Leaving the love nest  
Shots and screams, you're using bubble gun  
For me it's just jest

Nothing  
Not her  
Blinds me  
Not hurt  
She goes  
I ache  
Easy to loose it

I missed the girl, I tried to be the one
