

It's Over

X-left to die

If you wanna take this way
Never take it all
If I should tell you do the same
'cause I want to see you crawl

It's over
It's over
It's over
It's over!

...

If you wanna take this way
Never take it all
If I should tell you do the same
'cause I want to see you crawl

It's over
It's over
It's over
It's over!

Let's rape me
Why? Die?
Let's rape me
and everything is over
Let's rape me
Why? Die?
Let's rape me
and everything is over

You never do this, fucking whore

...

Let's rape me
Why? Die?
Let's rape me
and everything is over
Let's rape me
Why? Die?
Let's rape me
and everything is over
