

Am I Right

X-Perience

Am I right am I wrong
Am I weak or strong
Can't you see I am burning alive
Hold me tight through the night
And I'll feel alright
Oh oh I know I am right

I met you once when the sun came out
The road to nowhere when I had a rest
I met you once where the river flows
From the hills of the East to the West

Am I right am I wrong
Am I weak or strong
Can't you see I am burning alive
Hold me tight through the night
And I'll feel alright
Oh oh I know I am right
You came to me and I turned to you
You stood to me like a man should do
I caught a glance of a burning night
And I knew that my dreams will come true

Am I right am I wrong
Am I weak or strong
Can't you see I am burning alive
Hold me tight through the night
And I'll feel alright
Oh oh I know I am right

Am I right am I wrong
Am I weak or strong
Can't you see I am burning alive
Hold me tight through the night
And I'll feel alright
Oh oh I know I am right

Am I right am I wrong
Am I weak or strong
Can't you see I am burning alive
Hold me tight through the night
And I'll feel alright
Oh oh I know I am right
I know I am right
