

Magic Fields

X-Perience

I've met the strangers at a place
more than a million miles away
They were so nice, so full of grace
I know they came from far away
Now I'm walking on magic fields
I see the world is the only place to be

They took me to a foreign place
and then they thought me to be strong
They told me not to go away
even if anything goes wrong

I love the world I wouldn't leave
all the places we were born
I wait at midnight to receive
a final sign of their return
