

Wake me up  
I'm dreaming  
I want you to know  
It's dangerous  
To know everything  
About my dreams  
I want you to know  
I want you to know  
It's dangerous

Hold me  
When I'm falling  
I'm falling in love  
With a princess  
The king of my dreams  
Tries to catch me  
I'm running away  
I try to escape  
Into the next day

I tell all the secrets  
I try to keep  
When I'm dreaming  
When I talk in my sleep

I tell all the secrets  
I try to keep  
When I'm dreaming  
When I talk in my sleep

The king of dreams and nightmares  
Will hold me in  
His arms tonight  
But he's just a fool  
He caught my body  
He's just a fool  
He can't catch my soul  
He can't kill my soul

Wake me up  
I'm dreaming  
I try to escape  
It's dangerous  
To be in my world  
Of dreams and nightmares  
I'm running away  
I try to escape  
Into the next day

I tell all the secrets  
I try to keep  
When I'm dreaming  
When I talk in my sleep
