

Highly Inflammable

X-Ray Spex

Highly inflammable
Waiting to explode
Neurotic tensions
Risen overflowed

You thought I was a woman
I thought you were a man
But I was Tinkerbell
And you were Peter Pan

Influenced by the fashion pages
Influenced by other's phrases
It ain't hip if you are retro
You're a pseudo quasi intellectual

Supreme equality
We used to compete
The right to decide
Is denied to the sheep

You thought I was a woman
I thought you were a man
But I was Tinkerbell
And you were Peter Pan
